ANNA MARIA ISLAND'S PREMIERE WEDDING DESTINATION

WEDDING EVENT GUIDELINES

Thank you for considering our wonderful location to host your special event. Whether you are looking for guest accommodations, an intimate setting for your ceremony, or beach reception venue, our staff will work with you to create a beautiful and memorable event that is uniquely yours!

TIME AND NOISE ORDINANCES

All events must conclude prior to 10pm to coincide with the islands strictly enforced Noise Ordinances and broadcast volume restrictions. This means that your event should schedule to end no later than 9:30pm to allow a smooth and efficient flow of exiting guest traffic. At 10pm only registered guests are allowed on-site and access to pool grounds will be restricted to resort staff and contractors.

INITIAL

PROPERTY RESTRICTIONS

All events are outdoor only and unfortunately no provisions can be made for inclement weather. Under no circumstances will events or guest traffic be allowed in our accommodation spaces and roped barriers will be placed to facilitate traffic flow. Only registered guests may use resort amenities and no amenity items will be accessible during an on-site event.

INITIAL

PARKING

There is no parking for events allowed on-site or in the City public pier parking lot which services the beach and Pier Restaurant. A shuttle provider, such as the Island Monkey Bus, can be contracted to transport guests from an approved location to the event. Guest drop-off in our unloading zone is permissible, but vehicles must exit public parking lot. –

INITIAL

FOOD VENDORS AND CATERERS

There is no food preparation allowed or facilities on-site or indoor accommodations. All food must come prepared, warmed and ready-to-serve in chafing dishes which are either provided or rented from a local rental supply company. All food displays must be outdoors. Grills and ice machine may be available on request

INITIAL

DECORATIONS

Rear deck party lighting and tiki torches are available at no charge and installed by staff in approved locations. No other supplemental lighting is allowed or necessary. Guests can choose the pool color, and inflatables may be floated in the pool. There are no live flowers, petals or perfumes allowed in the pool or spa and will result in a minimum additional cleaning fee of \$500.00. Other decorations can be discussed, but are discouraged from both cleaning, installation and wind/weather concerns.

INITIAL

CLEAN UP

Must occur on the night of the event by your vendors including removal of all supplies, excess materials, foodstuffs and trash. All vendors must be off-site by 11pm. Rental equipment MUST be picked up by 10am the following morning. There is no place to store equipment on site and late fees will be charged if equipment and rental items are not promptly removed and the outdoor space returned to original condition and set-up.

INITIAL

RESTROOM FACILITIES

The only restroom open to event guests will be in Suite 8. Booked guests will have access to their accommodations, but non-registered guests may not use or traffic the interior accommodations of the resort.

INITIAL

RESORT STAFF

Resort Staff Staff will be on-site during the set-up, event, and teardown to assist with traffic flow and your contractors.
